Later in this week or next week would probably be better for me because I might not get everything I am hoping to get done today and we've been very busy with our response to the Gold King Mine release in Colorado. I'd be happy to chat on the phone or meet in person. My office is at Federal Triangle.

Jessica and Erika -

Allow me to make an introduction here. You both know the background already, so I will leave it to you two to find the best way to connect - either over the phone or perhaps over coffee.

Take care and enjoy the rest of the summer!
